Haskell & White Promotes Local Resident

BY NB INDY STAFF

Haskell & White, one of Southern California's largest independently-owned accounting, auditing and tax consulting firms, has promoted four employees in the audit and business advisory services department (ABAS) and three in the tax department.

One of those is Newport Beach resident Miriam Notik, Tax In-Charge Associate.

She joined Haskell & White two years ago after graduating summa cum laude from the University of California, Irvine, with a bachelor's degree in economics. Notik also has an associate in arts degree in accounting from Santa Monica College.

Haskell & White, which has about 70 staff members in Irvine and San Diego, is a longtime proponent of promoting internally.

Further information on Haskell & White can be found on the firm's website, hwcpa.com.
